1. The Contractor hereby agrees under the items awarded by contract (the "Agreement"), to trim or remove all trees, brush, vine, or hedge designated by the Borough which interfere with the **electric distribution lines, and street lights** for Item I of the Borough or which may interfere with extensions or reconstruction thereof.

The awarded portions of the Agreement provide for trimming of all trees, hedges, vines, and bushes that interfere with the respective portions of the Electric Utility's primary, and secondary distribution lines, and street lighting. All streets, alleys, and easements which contain a Borough electrical wire are subject to an inspection to determine the need for trimming and trimmed according to guidelines herein. Service lines to all buildings shall be included in map **sections 4, 5, and 6 to be completed November 1, 2026 thru September 30, 2027 and sections 1,2, and 3 to be completed October 1, 2027 thru September 30, 2028.**

The Agreement is issued for the purpose of obtaining a favorable rate by utilizing off-season labor. Therefore, general trimming under this Agreement shall be performed during the off-season periods unless specifically authorized by Borough personnel. Any work performed outside the off-season period at the contractors discretion on general trimming under this Agreement will not entitle the contractor to additional payment for the section where the work was performed. Those critical conditions which need completed during prime season must begin as required within 24 hours after notification.

2. The Agreement is based on existing electrical system as of October 1, 2026, which includes transmission, distribution, and street lighting. Any new major distribution construction during the term of this Agreement will be part of construction costs and not included in the Agreement.
3. The Contractor shall notify the Borough as to any trees, brush, vine, or hedge requiring trimming or removal, under the terms of the specifications or in the opinion of the Contractor, if the same has not already been designated by the Borough.
4. All work shall be done to the complete satisfaction of the Borough and in accordance with all municipal, county, state, and local laws, ordinances, and regulations applicable to said work, and in accordance with Specifications attached hereto and made a part hereof. All corrective actions must be completed by April 30 of each year. The contractor will be assessed twenty-five dollars (\$25.00) per calendar day if the final section is not ready for inspection by April 1st of each year. The contractor will be assessed one hundred dollars (\$100.00) per day for any work not completed, including corrective actions due to inspection, by April 29 of each year. The Borough Electric Utility may waive these fees if there is a justifiable reason for the delay.
6. This Agreement shall be in force and effect until the 30th day of September 2028 even if basic tree trimming maintenance is complete, unless sooner terminated as herein before provided. The Agreement may be extended by the Borough Electric Utility if in the Borough's opinion such extension is in the best interest of the Borough.

7. All complaints received from property owners of any nature whatsoever shall be reported to the Borough immediately. **Representatives of the Contractor shall treat residents and property owners respectfully.**
8. When applicable, the Contractor shall obtain the necessary consent or permission from the owner or owner's agent, individual(s), or board having authority over each tree, brush, vine, or hedge to be trimmed or removed.

The Contractor shall furnish all solicitors, motor cars, and all other labor and equipment necessary for the securing of the said consent or permission when it sees fit to do so. All expenses in the securing of said permission or consent shall be paid by the Contractor, except where said consent or permission is obtained by the Borough.

The Borough may, at its option, require that the permission or consent obtained for the trimming of any tree, brush, vine, or hedge designated under this Agreement, be in writing, such written permission to be in a form satisfactory to the Borough. All such written permits shall become the property of the Borough upon completion of the work. If consent or permission for the removal of any trees is to be obtained by the Contractor, the Borough may require that such permission shall be in writing. If such consent or permission has been obtained by the Borough the Contractor shall not be required to obtain any further consent or permission.

9. The Contractor shall take all necessary precautions to eliminate damage to adjacent trees and shrubs, lawns, or other real or personal property. The Contractor shall protect all utilities from damage and shall immediately contact the appropriate utility if damage should occur. The Contractor shall be solely responsible for any and all damage to real or personal property, including but not limited to trees, brushes, or hedges, and utilities, incidental to the Work caused by the Contractor under this Agreement. The Contractor shall inform the Borough of any damage caused by the Contractor's operation on the day such damage occurs. The Contractor shall be responsible for any repair or replacement costs, however, the Borough reserves the right to repair or replace what was damaged and assess the Contractor such costs as are reasonable and related to the damage caused by the Contractor, and deduct these costs from any payment due.

Wherever work to be done under this agreement is of such a nature that it can be done by common labor without affecting the quality and safety of the work, incidental common labor may be employed by the Contractor for such work.

11. All designated trimming work for which proper consent or permission has been obtained, shall be done in a first-class scientific manner in accordance with ANSI Z133.1-2012 or later standard so as to provide maximum clearance for the Borough's lines without injury to the trees. All employees performing work under this Agreement shall comply with ANSI Z133.1-2012 and OSHA 29 C.F.R. Sections 1910.268, 1910.269, 1910.333 Safety Standards. Certification of all such employees as required in OSHA 29 C.F.R. 1910.269 is required and proof of this certification shall accompany this bid. **PROPOSALS WITHOUT**

THIS PROOF WILL BE REJECTED. The Contractor's employees and any and all subcontractors shall maintain all licenses and approvals during the Term of this Agreement.

12. The Contractor shall keep the necessary guards and protective devices at locations where work is being done to prevent accidents to the public, and immediately upon completion of the work at each location, shall remove all equipment and dispose of all brush and debris in accordance with applicable laws, rules, ordinances, and regulations, and if not prohibited thereby, in accordance with the desire of the property owners.
13. The Contractor shall not make any payment to tree wardens or local inspectors except on written approval of the Borough.

The Contractor shall keep the Borough informed as to the progress of the work and shall advise the Borough daily as to the location of the work to be done that day by calling Electric System Operator at 717-261-3250 or 717-729-2391. Work shall not be done without completing this call. For the safety of the workers, the System Operator will place the feeder(s) being worked around in a Hotline Tag state, in which they will open and stay open in the event of a trip as opposed to the normal state of re-closing after a trip. A half percent ($\frac{1}{2}\%$) of the total Agreement price will be deducted from the Agreement for each day work is performed when no call was recorded with the Electric System Operator.

15. The choice and order of map areas to be trimmed is at the sole discretion of the Borough Electric Utility. **This order shall be determined before trimming commences by making contact with Jeff Heverley at (717) 552-4930 or alternate Borough representative as indicated by the Borough.** Only after an entire section is complete shall it be submitted to the Borough for inspection.

Failure to complete trimming by the Agreement ending date will result in contractor forfeiting any rights in receiving payment for work done in any incomplete section and contractor will be removed from bidder eligibility for a period of three (3) years.

From time to time the Borough may request tree trimming maintenance to be done outside of the current map section. Billing for such work shall be included as part of the work in that section and billed upon completion of that section

16. Hourly rates for Foreman, Trimmer, Laborer, Truck, Chipper, Power Saw, and Aerial Bucket Truck shall be submitted for internal auditing purposes, emergency, storm-related cleanup, and non-contract work. No overtime rates shall apply to the Item I Agreement work.
17. Emergency and storm-related cleanup work exceeding eight (8) continuous hours shall be eligible for fifty percent (50%) surcharge over basic rates, including Saturdays, Sundays, and all holidays. Overtime rates shall be submitted on bills showing time accumulated over eight (8) hours. All charges for emergency, storm-related cleanup, and non-contract work shall not be charged against the tree trimming maintenance Agreement. Contractor shall notify in advance of work if their standard work hours are instead 10 hour days in which case overtime application would be amended accordingly.

18. The Contractor shall be responsible for disposal of all materials and site cleanup unless specifically arranged with the Borough otherwise.
19. The Contractor shall submit the following documents at the times indicated herein. Failure to submit these documents within the specified time period will result in rejection of the contractor's proposal and award to the next successful bidder.
- A. Bucket Truck Dielectric Certificate – Within ten (10) calendar days of notification of intent to award.
 - B. Tree Trimmers ANSI and OSHA Certification – With Proposal.
20. **Equipment Requirements:** An aerial device shall be used for trimming overhanging branches and limbs as follows:

All clearances in this Article are the minimum to be trimmed.

ALL MINIMUM CLEARANCES SHALL EXIST PRIOR TO LEAVING ANY SECTION.

Trimming shall be done in a manner so that clearances are maintained through the end of the contract. If re-growth is observed which encroaches within 1 foot of primary or secondary lines during the contract period, the Contractor will be notified to re-address the area and trimming shall be completed within one week of notification or as otherwise specifically agreed upon by the Borough.

22. Tree Trimming and Pruning Specifications:

Good tree procedures can help maintain aesthetic tree value and help direct future growth away from wires. Therefore, Exhibits 7 & 10 is included as references for proper techniques. All trimming and pruning shall be done in accordance with these references and with ANSI A300 Part 1.

23. Additional Invoice and Payment Provisions:

Payments will be made on a map section basis. Partial Invoices for work completed in a section shall be submitted upon completion of that section.

Within fifteen (15) days of the initial acceptance by the Borough Electric Utility, a Borough Representative will perform an inspection. After final acceptance by the Borough, once remedial trimming has been done per recommendation of the Borough inspection, the Contractor will be paid the remaining amount due for that section. Trimming price is for the trimming in accordance with this Agreement regardless of man-hours required to complete the work.

Separate bills shall be rendered for different work orders, areas, or crews as required by the Borough for non-contract work. Bills under the Agreement for emergency and storm related work may be rendered by the Contractor to the Borough at suitable intervals and as mutually agreed upon. **Invoices shall list the per unit costs and quantities as agreed upon in this Agreement.**

TOP PRUNING

Tops are to be stub cut first as shown. Then cut as line DE indicates, at approximately the same as the Branch Bark Ridge. Do not cut the Branch Bark Ridge.

SIDE PRUNING

Cut side branches first as shown. Then cut as lines AB indicate outside of the Branch Bark Ridge and beyond the swelling of the Branch Collar. Do not cut the Branch Ridge or through the Branch Collar.

SIDE TRIM STUBBING

This is done by stubbing off portions of limbs along the side of the tree to obtain clearance. This method of trimming, like pollarding and rounding over, creates many fast-growing suckers that become a serious line clearance problem. These trimming methods should be avoided.

- A. In the hiring of any employee(s) for the manufacture of supplies, performance of work, or any other activity required under the Contract or any grant agreement, subgrant agreement, contract, or subcontract, the Covered Entity, a sub-grantee, a contractor, a subcontractor, or any person acting on behalf of the Covered Entity shall not discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the *Pennsylvania Human Relations Act* (PHRA) and applicable federal laws, against any citizen of this Commonwealth who is qualified and available to perform the work to which the employment relates.
- B. The Covered Entity, any sub-grantee, contractor or any subcontractor or any person on their behalf shall not in any manner discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the PHRA and applicable federal laws, against or intimidate any of its employees.
- C. The Covered Entity, any sub-grantee, contractor or any subcontractor shall establish and maintain a written nondiscrimination and sexual harassment policy and shall inform their employees in writing of the policy. The policy must contain a provision that sexual harassment will not be tolerated and employees who practice it will be disciplined. Posting this Nondiscrimination/Sexual Harassment Clause conspicuously in easily-accessible and well-lighted places customarily frequented by employees and at or near where the grant services are performed shall satisfy this requirement for employees with an established work site.
- D. The Covered Entity, any sub-grantee, contractor or any subcontractor shall not discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the PHRA and applicable federal laws, against any subgrantee, contractor, subcontractor or supplier who is qualified to perform the work to which the grant relates.
- E. The Covered Entity and each sub-grantee, contractor and subcontractor represents that it is presently in compliance with and will maintain compliance with all applicable federal, state, and local laws and regulations relating to nondiscrimination and sexual harassment. The Covered Entity and each sub-grantee, contractor and subcontractor further represents that it has filed a Standard Form 100 Employer Information Report ("EEO-1") with the U.S. Equal Employment Opportunity Commission ("EEOC") and shall file an annual EEO-1 report with the EEOC as required for employers' subject to *Title VII* of the *Civil Rights Act of 1964*, as amended, that have 100 or more employees and employers that have federal government contracts or first-tier subcontracts and have 50 or more employees. The Covered Entity, any sub-grantee, any contractor or any subcontractor shall, upon request and within the time periods requested by the Commonwealth or Borough, furnish all necessary employment documents and records, including EEO-1 reports, and permit access to their books, records, and accounts by the granting agency, Borough, and the Bureau of Diversity, Inclusion and Small Business Opportunities for the purpose of ascertaining compliance with the provisions of this Nondiscrimination/Sexual Harassment Clause.
- F. The Covered Entity, any sub-grantee, contractor or any subcontractor shall include the provisions of this Nondiscrimination/Sexual Harassment Clause in every subgrant agreement, contract or subcontract so that those provisions applicable to sub-grantees, contractors or subcontractors will be binding upon each sub-grantee, contractor or subcontractor.

- G. The Covered Entity's and each sub-grantee's, contractor's and subcontractor's obligations pursuant to these provisions are ongoing from and after the effective date of the grant agreement through the termination date thereof. Accordingly, the Covered Entity and each sub-grantee, contractor and subcontractor shall have an obligation to inform the Borough if, at any time during the term of the Contract, it becomes aware of any actions or occurrences that would result in violation of these provisions.
- H. The Borough may cancel or terminate the Contract and all money due or to become due under the Contract may be forfeited for a violation of the terms and conditions of this Nondiscrimination/Sexual Harassment Clause. In addition, the Borough or granting agency may proceed with debarment or suspension and may place the Covered Entity, sub-grantee, contractor, or subcontractor in the Contractor Responsibility File.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and

General Instructions

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

must obtain your correct taxpayer identification number (TIN), which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid).
- Form 1099-DIV (dividends, including those from stocks or mutual funds).
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds).
- Form 1099-NEC (nonemployee compensation).
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers).
- Form 1099-S (proceeds from real estate transactions).
- Form 1099-K (merchant card and third-party network transactions).
- Form 1098 (home mortgage interest), 1098-E (student loan interest), and 1098-T (tuition).
- Form 1099-C (canceled debt).
- Form 1099-A (acquisition or abandonment of secured property).

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

Caution: If you don't return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding*, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued);
2. Certify that you are not subject to backup withholding; or
3. Claim exemption from backup withholding if you are a U.S. exempt payee; and
4. Certify to your non-foreign status for purposes of withholding under chapter 3 or 4 of the Code (if applicable); and
5. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting is correct. See *What Is FATCA Reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding. Payments made to foreign persons, including certain distributions, allocations of income, or transfers of sales proceeds, may be subject to withholding under chapter 3 or chapter 4 of the Code (sections 1441–1474). Under those rules, if a Form W-9 or other certification of non-foreign status has not been received, a withholding agent, transferee, or partnership (payor) generally applies presumption rules that may require the payor to withhold applicable tax from the recipient, owner, transferor, or partner (payee). See Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*.

The following persons must provide Form W-9 to the payor for purposes of establishing its non-foreign status.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the disregarded entity.
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the grantor trust.
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust and not the beneficiaries of the trust.

See Pub. 515 for more information on providing a Form W-9 or a certification of non-foreign status to avoid withholding.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person (under Regulations section 1.1441-1(b)(2)(iv) or other applicable section for chapter 3 or 4 purposes), do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515). If you are a qualified foreign pension fund under Regulations section 1.897(l)-1(d), or a partnership that is wholly owned by qualified foreign pension funds, that is treated as a non-foreign person for purposes of section 1445 withholding, do not use Form W-9. Instead, use Form W-8EXP (or other certification of non-foreign status).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a saving clause. Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if their stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first Protocol) and is relying on this exception to claim an exemption from tax on their scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include, but are not limited to, interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third-party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester;
2. You do not certify your TIN when required (see the instructions for Part II for details);
3. The IRS tells the requester that you furnished an incorrect TIN;
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only); or
5. You do not certify to the requester that you are not subject to backup withholding, as described in item 4 under "*By signing the filled-out form*" above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier.

What Is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all U.S. account holders that are specified U.S. persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you are no longer tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

• **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note for ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040 you filed with your application.

• **Sole proprietor.** Enter your individual name as shown on your Form 1040 on line 1. Enter your business, trade, or "doing business as" (DBA) name on line 2.

• **Partnership, C corporation, S corporation, or LLC, other than a disregarded entity.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

• **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. Enter any business, trade, or DBA name on line 2.

• **Disregarded entity.** In general, a business entity that has a single owner, including an LLC, and is not a corporation, is disregarded as an entity separate from its owner (a disregarded entity). See Regulations section 301.7701-2(c)(2). A disregarded entity should check the appropriate box for the tax classification of its owner. Enter the owner's name on line 1. The name of the owner entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For

example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2. If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, enter it on line 2.

Line 3a

Check the appropriate box on line 3a for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3a.

IF the entity/individual on line 1 is a(n) . . .	THEN check the box for . . .
• Corporation	Corporation.
• Individual or • Sole proprietorship	Individual/sole proprietor.
• LLC classified as a partnership for U.S. federal tax purposes or • LLC that has filed Form 8832 or 2553 electing to be taxed as a corporation	Limited liability company and enter the appropriate tax classification: P = Partnership, C = C corporation, or S = S corporation.
• Partnership	Partnership.
• Trust/estate	Trust/estate.

Line 3b

Check this box if you are a partnership (including an LLC classified as a partnership for U.S. federal tax purposes), trust, or estate that has any foreign partners, owners, or beneficiaries, and you are providing this form to a partnership, trust, or estate, in which you have an ownership interest. You must check the box on line 3b if you receive a Form W-8 (or documentary evidence) from any partner, owner, or beneficiary establishing foreign status or if you receive a Form W-9 from any partner, owner, or beneficiary that has checked the box on line 3b.

Note: A partnership that provides a Form W-9 and checks box 3b may be required to complete Schedules K-2 and K-3 (Form 1065). For more information, see the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

If you are required to complete line 3b but fail to do so, you may not receive the information necessary to file a correct information return with the IRS or furnish a correct payee statement to your partners or beneficiaries. See, for example, sections 6698, 6722, and 6724 for penalties that may apply.

Line 4 Exemptions

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) entered on the line for a FATCA exemption code.

M—A tax-exempt trust under a section 403(b) plan or section 457(g) plan.

Note: You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, enter "NEW" at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have, and are not eligible to get, an SSN, your TIN is your IRS ITIN. Enter it in the entry space for the Social security number. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/EIN. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or Form SS-4 mailed to you within 15 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and enter "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, you will generally have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon. See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier, for when you may instead be subject to withholding under chapter 3 or 4 of the Code.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third-party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information, such as your name, SSN, or other identifying information, without your permission to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax return preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity, or a questionable credit report, contact the IRS Identity Theft Hotline at 800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 877-777-4778 or TTY/TDD 800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Go to www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and territories for use in administering their laws. The information may also be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payors must generally withhold a percentage of taxable interest, dividends, and certain other payments to a payee who does not give a TIN to the payor.
