AP-10 Consultation – 91.100, 91.200(b), 91.215(l)

1. Introduction

While preparing the FY 2019 Annual Action Plan, the Borough of Chambersburg consulted with the Franklin County Housing Authority, local housing providers, social service agencies, community and economic development organizations, the local Continuum of Care members, Borough department representatives, and Borough Officials. Input from the meetings and public hearings were used in making decisions on which projects to fund.

Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l))

The Borough of Chambersburg works with the following agencies to enhance coordination:

- **Franklin County Housing Authority** – Section 8 Housing Choice Vouchers and improvements to public housing communities.
- **Social Services Agencies** – funds to improve services to low and moderate income persons.
- **Housing Providers** – funds to rehabilitate and develop affordable housing and provide housing options for low- and moderate-income households.
- **Community and Economic Development Agencies** – funds to improve services to low and moderate income persons.

As part of the CDBG application planning process, local agencies and organizations were invited to submit proposals for CDBG funds for eligible activities. These groups participated in the planning process by attending public hearings and phone calls.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The Borough of Chambersburg is now part of the Eastern PA CoC, South Central Regional Homeless Advisory Board (RHAB), which oversees the Continuum of Care Network for Central Pennsylvania for nine (9) counties. The CoC includes homeless service providers, Community Action Partnerships (CAPs), local/county/state governments, Housing & Redevelopment Authorities, and domestic violence, aging, mental health, and faith-based organizations.

The CoC solicits and considers a full range of opinions through the five (5) Regional Homeless Advisory Board (RHABs) monthly meetings and semi-annual full CoC meetings. Both forums provide opportunities for knowledgeable persons to provide input and assistance in ending homelessness. The RHAB Co-Chairs represent multiple interest groups including: CDBG Jurisdictions, Public Housing Authorities, domestic violence service providers, Veterans, youth

service providers, Community Action Partnerships (CAP), homeless service providers, and faith-based organizations. The chair of the Coordinated Entry Committee represents a Runaway and Homeless Youth Program (RHY)/CoC-funded agency, assuring that needs of homeless youth are included in the Coordinated Entry design. The Chair of the Governance and Policy Committee represents a domestic violence program, reinforcing the need for safety, security, and choice for domestic violence survivors in the development and implementation of CoC policies.

CoC standing committees, membership, and functions are defined in the Governance Charter. Committee members are recruited by the Board or by the Committee and are drawn from the CoC and community-at-large to provide needed expertise. Key to meeting the goals of Opening Door, the nation's first comprehensive federal strategy to prevent and end homelessness, include:

- Data Management, Collection, and Outcomes Committee, which develops and maintains a system for tracking CoC performance outcomes and progress in meeting goals of Opening Doors.
- Funding Committee, which develops ranking criteria; reviews and ranks projects; and determines a reallocation strategy to best meet the Opening Doors goals.
- Ad Hoc Coordinate Entry Committee, which works with a consultant to oversee Coordinated Entry planning and provides tools for the CoC to meet Opening Doors goals.

The Board comprises a diverse set of representative stakeholders throughout the region, including many social service and governmental organizations. The RHAB identifies regional and local homeless issues; coordinates regional planning; identifies regional housing gaps and needs, strategies, and priorities; provides input for Supportive Services for Veterans Families (SVF) and Emergency Solutions Grants (ESG) applications; participates in completion of the CoC application; monitors Homeless Management Information Systems (HMIS) participation and implementation; and coordinates and follows-up on the Point-in-Time (PIT) count and AHAR.

Most of the Eastern PA CoC comes under the Commonwealth's Consolidation Plan developed by PA-DCED, however, there are twelve (12) additional Consolidated Plan Jurisdictions representing the more populated areas of the Lehigh Valley and Cumberland County, plus cities. PA-DCED uses web-based forums to meet with Regional Housing Advisory Committees (RHACs). The RHACs include state grantees, housing officials, developers, non-profits, CoC Chairs, and PA-DCED staff. Also as part of the citizen participation process, members of the CoC receive notice of public meetings, documents available for review, and citizen comment periods. The County and City Five Year Consolidated Plan Jurisdictions follow the Five Year Consolidated Plan guidelines for consultation, including interviews, surveys, and focus groups with stakeholders knowledgeable about homelessness in their communities.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

Referrals are made to the South Central Community Action Programs Franklin County Shelter for services by Franklin County Information and Referral, other agencies, shelters, police departments, hospitals, and churches. The SCCAP Franklin County Shelter completes a Needs Assessment on every client upon admission.

The main categories of needs in SCCAP's Assessment (each with specific sub-categories) are as follows: Employment Skills/Training; Money Management; Housing; Health; Public Assistance/Type Needed; Parenting/Family; Legal; and Other/Miscellaneous.

The Point-in-Time Counts for the Sheltered and Unsheltered homeless population are completed twice a year in the months of January and July. The results of the counts are available in the state PAHMIS system for approved users. The public can access the information through the HUD website and the Housing Alliance of Pennsylvania website.

The SCCAP Franklin County Shelter receives ESG funds. The CoC provides input on the allocation of ESG funding to subrecipients, through a "Performance Interview Planning Checklist" that was developed as a standardized tool for CoC input on applicant capacity and participation in the CoC. The CoC provides input on ESG applications and ranks and reviews projects.

Most of the Eastern PA CoC ESG funding is allocated by PA-DCED. The CoC participated in developing priorities, target populations, outcome measures, and evaluation processes for ESG under HEARTH, including prioritizing Rapid Re-Housing (RRH) for 45% of funds (excluding emergency shelters, outreach, and administration). PA-DCED convened a Data Committee composed of CoC members to review and analyze quarterly CoC performance reports for establishing benchmarks and data driven performance standards for outcome evaluation and funding decisions. An ESG Committee, also composed of CoC members, is being formed to help in setting ESG policy/performance standards.

Throughout different times of the year, the CoC and the HMIS lead work together to assess data quality throughout the CoC. This includes working on Annual Homeless Assessment Report (AHAR) submission, the PIT count, project review/ranking, and working with individual programs while completing their Annual Performance Reports (APRs). According to the Eastern PA CoC, the largest overall barrier to HMIS-participation remains non-HUD funded volunteer and faith-based operated projects and VA-funded projects, such as VASH. Additional outreach to volunteer and faith-based organizations will occur through the implementation of coordinated entry. Increased engagement and education among these groups should lead to increased HMIS participation. The CoC will work with Veterans to improve participation among VA-funded projects. In regards to VASH, the CoC built a new bed/voucher-based process within the CoC's HMIS and will begin piloting this enhancement with Public Housing Authorities.

The Franklin County Housing Authority has implemented Asset Management for each of its public housing developments. This provides for development/AMP-based accounting, personnel supervision at the AMP level, and short term and long term maintenance needs by staff at AMP level including capital improvements. The Franklin County Housing Authority’s Capital Fund Grant proposed allocation for FY 2019 will be \$551,565.00. The Franklin County Housing authority proposes it will received \$1,135,721.00 in operating subsidies. Based on the FY 2018 Capital Fund Grant allocations, the FY 2019 funds will be used for the following items:

- Operations: \$40,125.00
- Administration: \$55,156.00
- Fees and Costs: \$20,000.00
- Site Improvement: \$105,000.00
- Dwelling Structures: \$331,284.00
- **Total: \$551,565.00**

During the FY 2019 Program Year, the Franklin County Housing Authority plans to use its capital funds allocation for tree removal, planting and trimming, installation of hardwood mulch, replacement of 27 gas hot water heaters, replacement of an existing playground with new equipment, installation of new

sidewalks, new LED site lighting, refurbishing the existing basketball court, and adding new LED site lighting to the basketball court.

The Franklin County Housing Authority does not plan to demolish or remove any public housing units in the Borough of Chambersburg during the FY 2019 Program Year. The Franklin County Housing Authority plans to distribute five (5) Veterans Administration Supportive Housing (VASH) Vouchers in FY 2019.

According to FCHA's 2015 Five Year and Annual Plan, the strategies for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year include encouraging work and expanding housing opportunities for the very-low (50% or below AMI) and extremely low-income (30% or below AMI) residents in the County, in addition to expanding housing choices for the elderly, disabled, individuals in domestic abuse situations, individuals in federally declared disaster areas, and Voucher-holders.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

The Franklin County Housing Authority maintains an active relationship with its residents and encourages residents of public housing to become involved in the housing authority's decision making process. The Housing Authority engages in cooperative activities with the Boys & Girls Club in Chambersburg's Meadow Creek 2, Waynesboro Communities that Care, and Pathstone. FCHA has also developed Resident Councils in both family developments, and holds elections for Resident Councils. The resident councils manage Resident Participation Funding. There is one public housing resident who sits on the Board of Directors of the Franklin County Housing Authority.

The Franklin County Housing Authority offers a First Time Homebuyer Program through Valley Community Housing Corporation (VCHC) as the General Partner and self-sufficiency coordinator. VCHC offers assistance to purchase brand new homes in the Borough of Chambersburg to qualifying low income families. In addition, eligible Section 8 Voucher holders can use their vouchers to assist in the purchase of their own home through the Section 8 Homeownership Program. The voucher assistance provides a partial payment toward the mortgage every month. Participants are assisted with budgeting and credit repair as needed, provided with homeownership education, and given support every step of the way as they purchase their home.

Eligibility requirements for the Homeownership Program:

- Have a Section 8 Voucher.
- Be consistently employed for one year before homeownership assistance starts. (Elderly people and people with disabilities are exempt from this requirement.)
- Must earn at least \$14,400 per year; with exceptions as noted above.
- Must be a first time homebuyer. (Not have owned a home in the past 3 years.)
- Be willing to utilize the voucher to purchase a home within Franklin County.
- Have credit good enough to qualify for a mortgage loan.

- Be a current or former FSS participant

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

The Franklin County Housing Authority is not designated as "troubled," and is considered a "high performer" by HUD.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

In the past year, PA-507 CoC merged with PA-509 to create the Eastern PA CoC, serving a total of thirty-three (33) counties. The 33 counties are organized into five (5) geographically dispersed Regional Homeless Advisory Boards (RHABs). The Borough of Chambersburg belongs to the South Central Pennsylvania Regional Homeless Advisory Board (RHAB) which oversees the Continuum of Care Network for Central Pennsylvania for nine (9) counties. The South Central RHAB includes Adams, Bedford, Blair, Cambria, Centre, Franklin, Fulton, Huntingdon, and Somerset counties.

According to the Governance Charter for the PA Eastern Continuum of Care Collaborative, the mission of the PA Eastern CoC is to end homelessness throughout the 33-county Continuum of Care. The CoC works toward ending homelessness by providing a framework for a comprehensive and well-coordinated regional and local planning process. This includes identifying needs, conducting a system wide evaluation of existing resources and program activities, and building a system of housing and services that addresses those needs. This mission will be pursued through the development of long range plans to prevent and end homelessness in the geographic area, as well as the coordination necessary for successful implementation. The objectives of the CoC include the following:

- Promote development of adequate funding for efforts for preventing homelessness, rapidly rehousing homeless persons, and stabilizing their housing;
- Maximize potential for self-sufficiency among individuals and families experiencing homelessness;
- Promote full access to, and effective use of, mainstream programs.

The Funding Committee is responsible for coordinating the annual application to HUD. In this capacity, it reviews all documents from the previous funding round; sets a schedule and time line for the current funding round; develops and edits forms for new project and renewal evaluations; develops ranking criteria; collaborates with the Data Management, Collection, and Outcomes Committee, as necessary; and provides ranking reports to the CoC. In addition, in order to increase CoC-wide performance, ensure the strategic use of HUD funds, and develop new resources, this Committee will also be charged with developing the CoC's reallocation strategy. This includes setting policy to make any funding cuts or allocate new resources, based on the NOFA for the Continuum of Care. Maranatha Ministry, Inc. provided the following information regarding the recipients of Continuum of Care funds in the Borough of Chambersburg:

- **Candleheart Rapid Re-Housing** - \$137,456
- **Franklin/Fulton County Shelter Plus Care Project** - \$86,568
- **Franklin/Fulton Homeless Assistance Project** - \$227,443

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The South Central Community Action Program (SCCAP) Franklin County Shelter staff participates in the Point-In-Time counts and conducts a Need Assessment. The SCCAP Franklin County Shelter completes a Needs Assessment on every client upon admission. The categories covered by the Needs Assessment (each with specific sub-categories) are as follows: Employment Skills/Training, Money Management, Housing, Health, Public Assistance/Type Needed, Parenting/Family, Legal, and Other/Miscellaneous.

Referrals are made to the SCCAP Franklin County Shelter for services by Franklin County Information and Referral, other agencies, shelters, police departments, hospitals, and churches.

The Continuum of Care completes a regular “Point-in-Time Count Survey” each January to determine the number of homeless individuals and families in the Eastern Pennsylvania Region. Based on the Point-In-Time Count (PITC) conducted during January 2019, the following numbers of homeless persons were reported in Franklin and Fulton Counties:

- **Unsheltered** - 15 individuals, 0 families with children, and 2 child only household
- **Transitional Housing** - 17 individuals, 0 families with children, and 1 children only
- **Emergency Shelter** – 67 individuals, 10 families with children (33 people), and 8 children only

The 2019 Point-in-Time Count was conducted on January 23, 2019.

Addressing the emergency shelter and transitional housing needs of homeless persons

The SCCAP Franklin County Shelter has nine (9) rooms and eighteen (18) beds. Of the rooms, two (2) are for families. The remaining beds are used as needed. The SCCAP Franklin County Shelter provides temporary, emergency shelter and individualized programming, support, and follow-up.

The SCCAP Shelter does not provide services to current users of drugs and/or alcohol. Individuals cannot use drugs or alcohol on the premises of the shelter. Services are provided to elderly clients but the facility does not provide assisted living, nursing, CNA, or rehabilitation services. The Shelter also serves those who are mentally and physically disabled as well as those with HIV/AIDS. Finally, the Rapid Re-Housing program has assisted the SCCAP Shelter to form partnerships with landlords.

Domestic violence victims are provided services through Women In Need (WIN) which is equipped to ensure victims’ safety. WIN and Money Matters provide counseling in financial stability and safety planning for when individuals leave the shelter. Many victims also need assistance with jobs, transportation and childcare. There are few housing options for victims of domestic violence in the Borough of Chambersburg and waiting lists for assisted housing are long. Women In Need did not receive federal funds, though they did receive funding from the Commonwealth of Pennsylvania through the Redevelopment Capital Assistance Program.

Maranatha Ministries offers a cold weather shelter for fourteen (14) men and six (6) women from 7:00PM to 7:00AM daily, seven days a week. This shelter does not accept children. Maranatha staff counsels guests and provides them with the resources to find more permanent housing. The staff also directs them to service agencies that will address their needs.

Maranatha uses the Total Person Transitional Housing Program (TPTHP), which matches a trained volunteer mentor with a community member in need. The mentor is supported by a professional case manager and many experienced support agencies in the community. Life-skills training topics offered through Maranatha includes: time management; parenting; support groups; relationships; cleaning; food safety, cooking, and nutrition; budgeting; and job readiness/resumes. Maranatha also supports homeless students with food, school supplies, and new clothing for school.

The transitional housing program is a structured 18-24-month program provided by Maranatha Ministries which assists homeless families with children with housing, by providing temporary housing and either giving them supportive services, such as obtaining their GED if they have not finished school, food from the food pantry, or by referring them to the appropriate agency for job placement, daycare, etc. Maranatha helps clients to budget their money, save for the future, and develop life-skills to help achieve self-sufficiency and become a part of the community and not return to homelessness.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The CoC has worked aggressively for the last two (2) years to reduce the length of time families with children experience homelessness. The CoC launched a Coordinated Entry project that expanded to the South Central RHAB. There has not been enough data collected on the program expansion to determine program effectiveness.

Using HUD System Performance Measure Guidance, the HMIS Lead developed a CoC Performance Report with metrics for “Length of Time” Persons Remain Homeless (LOT) and reviewed this data with the CoC Data Committee which meets quarterly to review CoC Performance and identify needed interventions. In 2015, the LOT in Transitional Housing was 317 days. As such, the CoC reallocated all Transitional Housing projects allowing for significant expansion of Rapid Rehousing and Coordinated Entry.

The CoC reduced the average number of days in Emergency Shelter and Transitional Housing by thirty-eight (38) days. Primary actions taken to improve this performance metric include reallocating all twenty-two Transitional Housing projects to Rapid Rehousing and Coordinated Entry projects, requiring 100% of CoC-funded projects to comply with the Housing First Policy, using VI-SPDAT and HMIS data to match homeless persons to their needs, and coordinating with the State ESG recipients to prioritize funds toward

navigation services and street outreach. In October, the CoC will request ESG funds for housing navigation and street outreach at Coordinated Entry sites.

HMIS is used to monitor and record returns to homelessness, which is monitored through the Data Subcommittee each quarter. Based on First Year System Performance Measure results, an overall 12% of persons returned to homelessness within two (2) years. Of these 243 persons, nearly 66% (160) had exited Emergency Shelter. The CoC is significantly increasing Permanent Housing resources through reallocation and Permanent Housing bonuses, which will assist those exiting shelters. Currently, 67% of persons staying in shelters are exiting to Permanent Housing.

Upon considering the safety concerns raised by Victims of Domestic Violence service providers during reallocation planning and the CoC's lack of experience operating Rapid Rehousing for Victims of Domestic Violence, the Funding Committee chose not to reallocate high performing Domestic Violence Transitional Housing (DV-TH) projects. One DV-TH provider voluntarily reallocated to Rapid Rehousing Domestic Violence (RRH-DV) and will co-chair a workgroup to develop a model for safely operating regional RRH-DV projects, which will promote client choice in housing. The CoC is applying for a new RRH-DV project to operate in a nine (9) county region to ensure client choice in Permanent Housing is upheld.

The local CareerLink and Community Action Agencies (CAA) are the primary mainstream employment organizations working in collaboration with homeless providers and homeless individuals/families. Some of the CareerLink offices attend monthly meetings of the Regional Homeless Advisory Boards in their jurisdiction and have partnered with homeless providers on grant applications to increase/expand services specifically for homeless individuals. CAAs operate a Ready-to-Work program for persons receiving Temporary Assistance for Needy Families (TANF) benefits, in collaboration with WIB & CareerLink. The purpose of the program is to increase pre-employment skills. 81% of all CoC-funded projects are connecting with the above referenced employment partners, or others in their local communities.

The CoC has adopted the Orders of Priority for persons experiencing chronic homelessness, granting priority of permanent supportive housing beds to chronically homeless individuals and families. To improve access to Chronic Homeless beds in counties with an excess of Chronic Homeless-prioritized beds, the "Bed Turnover Policy" indicates that a bed will first be filled through the project's waiting list, then within the County, and then finally will be open CoC-wide. It will be held for seven (7) days before it is rented to a non-Chronic Homeless household.

The CoC's Veterans Leadership Engagement Committee (VLEC) developed Operational Policies, which have been adopted by the CoC Board. Homeless veterans are identified and referred to the relevant Veterans Affairs and/or HUD homeless services. The VLEC manages a by-name master list of names of veterans integrated into HMIS. The state's ESG program has prioritized funding for programs providing homeless services to veterans. The average number of days it took for homeless veterans to achieve permanent housing decreased from 37 to 33 days.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

The SCCAP Franklin County Shelter works with individuals and families who are already homeless. Those individuals and families who are not yet homeless but are at risk of becoming homeless may be qualified for assistance through the SCCAP Homeless Assistance Program to help them remain housed. South Central Community Action Programs, Inc. receives ESG funds for Franklin County, which is used to fund Homeless Prevention activities, such as rent and utility assistance, and Rapid Re-Housing through the Franklin County Homeless Shelter.

The CoC does not coordinate with health care providers throughout the geographic area. There are examples of coordination in specific communities, but this is conducted mostly on an as-needed basis.

CoCs are required by the CoC Program interim rule to establish a Centralized or Coordinated Assessment system – also referred to as Coordinated Entry. Coordinated entry processes help communities prioritize assistance based on vulnerability and severity of service needs to ensure that people who need assistance the most can receive it in a timely manner.

The CoC has outlined its Discharge Policy for assisting persons being discharged from mental health facilities, hospitals, correction facilities, and for those aging out of foster care:

- **Mental Health Discharge** - PA has a formal policy that no discharge from a state hospital can occur unless all housing, treatment, case management and rehab services are in place at the county level. The goal is for all individuals to move into the most integrated housing of their choice in the community. Every individual in a state hospital for over 2 years must have a pre-discharge Community Support Plan that includes living arrangement. Individuals are never discharged from a state hospital to the street or shelter. Each individual is discharged to his/her own housing, housing with a friend or relative, limited size personal care home or mental health residential program.
- **Hospital Discharge** -Hospitals must have written discharge policies for "appropriate referral and transfer plans" including evaluation of a patient's capacity for self-care and possibility of being cared for in "the environment from which s/he entered the hospital." The actual discharge varies with the individual being discharged, their primary and behavioral health needs, and resources and supports available. Some shelters have protocols against accepting certain individuals directly from a hospital.
- **Corrections Facility Discharge** - Two policies are in place for those being discharged from corrections facilities: The PA Board of Probation and Parole (PBPP) policy that no one may be released on parole without approval of Home Plan by Parole Supervision Staff; and the PA Department of Corrections (DOC) Policy Statement on Inmate Reentry and Transition requiring written information on housing, photo ID, and other documentation for all inmates. The PA Dept

of Corrections (DOC) and the PA Board of Probation and Parole (PBPP) are responsible for ensuring that persons are not routinely discharged into homelessness.

- **Foster Care Discharge** - Children aging out of foster care are protected by laws to ensure that youth are not discharged into homelessness. The Federal Fostering Connections Act and State Court Rule require a Transition Plan before discharge from foster care. County agencies provide limited housing support upon discharge, ending at age 21. Youth go to relatives or family, transitional living placements, four year schools, to live with roommates/friends, reunite with family of origin, or remain with foster family.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction

The Borough of Chambersburg's 2015 Analysis of Impediments to Fair Housing Choice has identified the following impediments and goals to address those impediments and affirmatively further fair housing in the Borough:

Impediment 1: Housing Affordability - Decent, safe, sound, and affordable housing remains a high priority to ensure fair housing choice, quality of life, and attractive neighborhoods.

- **Goal:** Maintain the supply of decent, safe, sound, and affordable housing targeted to lower income households, both renters and owners.

Impediment 2: Housing Accessibility - There appears to be an unmet need for housing that is accessible to the older population and persons with disabilities.

- **Goal:** Increase the supply of housing that meets the accessibility, visitability, and quality of life needs of the older population and persons with disabilities.

Impediment 3: Fair Housing Education, Advocacy, Monitoring, and Enforcement - As in any community, there is a lack of awareness of the rights and responsibilities under the Fair Housing Act and a need to continually monitor and enforce the Fair Housing Act.

- **Goal:** Increase the knowledge and awareness of the rights of individuals and the responsibilities of building owners in regard to the Fair Housing Act through educational advocacy, monitoring, and enforcement to eliminate discrimination in housing and providing fair housing choices for all individuals and families.

Impediment 4: Accessibility of Public Facilities - The accessibility of public facilities remains a fundamental quality of life issue for most communities, especially for the older population, and persons with disabilities.

- **Goal:** Maintain and continue to upgrade Borough facilities, public spaces, and sub-recipient facilities to make them accessible to persons with disabilities.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

The Borough of Chambersburg's 2015 Analysis of Impediments to Fair Housing Choice recommended the following changes to the Borough's Zoning Ordinance:

Under §901.03 – Statement of Community Development Objectives. Add a new subsection “L”:

Affirmatively further fair housing by:

- Abiding by the provision of the Fair Housing Act of 1968, as amended.
- Promoting fair housing choice for all residents of Chambersburg
- Assuring the rights of all individuals that are identified as members of a protected class by the Federal government.
- Prevention of discrimination in housing based on a person’s race, color, national origin, religion, sex, familial status, or handicap.

Under §300.7 – Definitions.

Existing definitions should be reviewed for compliance with the Fair Housing Act and new definitions should be added to the Zoning Ordinance:

- “Family” – should be revised and include “disabled,” a group of up to five (5) unrelated individuals who are disabled and live together as a group and share responsibility for housekeeping.
- “Group Housing Development” – not applicable for small group homes or community living arrangements, since it requires two (2) or more buildings on five (5) acres or more plots of land.
- “Affirmatively furthering fair housing” – a definition should be added.
- “Fair Housing Act” – a definition should be added.
- “Americans with Disabilities Act” – a definition should be added.
- “Disabled” – a definition should be added
- “Visitability” – a definition should be added.
- “Accessibility” – a definition should be added.

Discussion

To promote Fair Housing, the Mayor will continue to proclaimed April as “Fair Housing Month” in the coming years. The Borough will continue to monitor and review public policies for discriminatory practices and/or impacts on housing availability during this program year. In addition to the proclamation, the Borough will complete the following activities to promote fair housing:

- Distribute pamphlets on Tenant’s Rights to Fair Housing to: Borough Hall, Libraries, social service organizations, charitable organizations, and code enforcement officers to handout during inspections.
- Display the Fair Housing Poster “It’s Not an Option – It’s the Law.”
- Provide fair housing information to landlords.
- Fair Housing Proclamation from the Mayor.
- Will hold a fair housing event.

AP-85 Other Actions – 91.220(k)

Introduction

The Borough of Chambersburg has developed the following actions which address the obstacles to meeting underserved needs, fosters affordable housing, reduces lead based paint hazards, reduces the number of families living in poverty, develops institutional structures, and enhances coordination between public and private housing and social service agencies.

Actions planned to address obstacles to meeting underserved needs

Despite efforts made by the Borough of Chambersburg and social service providers, a number of significant obstacles remain to meeting underserved needs. With funding resources being scarce, funding becomes the greatest obstacle for the Borough of Chambersburg to meet its underserved needs. Insufficient funding lessens the ability to fund many worthwhile public service programs, activities, and agencies. The Borough through its planning efforts will use its limited resources to address the Borough of Chambersburg's greatest needs and improve the quality of life for its residents. The following obstacles need to be overcome in order to meet underserved needs:

- Lack of decent, safe, sound, and affordable owner and renter housing
- High cost of rehabilitation work
- Aging in place population who need accessibility improvements
- Need major rehabilitation of the Borough's aging housing stock
- The increasing number of vacant and abandoned properties
- High unemployment rate and loss of household income
- Low wages in the service and retail sector job market

CARES Act Substantial Amendment:

The Borough of Chambersburg will work to address these obstacles through the agencies and programs to be funded with the FY 2016 CDBG funds and FY 2020 CDBG-CV funds. The following projects/activities address these obstacles:

- Food Programs
- Mortgage, Rent, and/or Utility Assistance

Actions planned to foster and maintain affordable housing

To foster and maintain affordable housing, the Borough of Chambersburg proposes the following Five Year Goals and Strategies:

- **HS-1 Housing Rehabilitation** - Continue to rehabilitate the existing owner and renter occupied housing stock in the Borough, including handicap accessibility modifications.
- **HS-2 Housing Construction/Rehabilitation** - Increase the supply of decent, safe, sound, and accessible housing that is affordable to owners and renters in the Borough through new construction and rehabilitation of vacant units.
- **HS-3 Fair Housing** - Affirmatively further fair housing by promoting fair housing choice through monitoring, education, and outreach.
- **HS-4 Homeownership** - Assist low- and moderate-income households to become homeowners by providing down payment assistance, closing cost assistance, and requiring housing counseling training.

Due to limited funds the Borough will not be using any CDBG funds to carry out any of these Goals and Strategies during this program year.

CARES Act Substantial Amendment:

The Borough of Chambersburg is fostering and maintain affordable housing through the following activities with FY 2016 CDBG funds and FY 2020 CDBG-CV funds:

CD-3 Public Services - Improve and increase programs for the youth, the elderly, the disabled, and social/welfare programs for Borough residents.

- Mortgage, Rent, and/or Utility Assistance

Actions planned to reduce lead-based paint hazards

The revised Federal Lead Based Paint Regulations published on September 15, 1999 (24 CFR Part 35) have had a significant impact on many activities – rehabilitation, tenant based rental assistance, and property acquisition – supported by the CDBG program. The Borough of Chambersburg will comply with Title 24, Part 35: Lead Based Paint Poisoning Prevention in Certain Residential Structures (Current Rule).

Rehabilitation Programs:

The Borough of Chambersburg will ensure that:

- Applicants for rehabilitation funding receive the required lead based paint information and understand their responsibilities.
- Staff properly determines whether proposed projects are exempt from some or all lead based paint requirements.
- The level of federal rehabilitation assistance is properly calculated and the applicable lead-based paint requirements determined.
- Properly qualified personnel perform risk management, paint testing, lead hazard reduction, and clearance services when required.

- Required lead hazard reduction work and protective measures are incorporated into project rehabilitation specifications.
- Risk assessment, paint testing, lead hazard reduction, and clearance work are performed in accordance with the applicable standards established in 24 CFR Part 35.
- Required notices regarding lead-based paint evaluation, presumption, and hazard reduction are provided to occupants and documented.
- Program documents establish the rental property owner's responsibility to perform and document ongoing lead-based paint maintenance activities, when applicable.
- Program staff monitors owner compliance with ongoing lead-based paint maintenance activities, when applicable.

Homeownership Programs:

The Borough of Chambersburg will ensure that:

- Applicants for homeownership assistance receive adequate information about lead based paint requirements.
- Staff determines whether proposed projects are exempt from lead based paint requirements.
- A proper visual assessment is performed to identify deteriorated paint in the dwelling unit, any common areas servicing the unit, and exterior surfaces of the building or soil.
- The home purchaser receives the required lead based paint pamphlet and notices.
- Prior to occupancy, properly qualified personnel perform paint stabilization and the dwelling passes a clearance exam in accordance with the standards established in 24 CFR Part 35.

The 2015 Childhood Lead Surveillance Annual Report from the Pennsylvania Department of Health reported that 1,447 children seven (7) years of age or younger were tested for elevated blood lead levels in Franklin County. Of those tested, 69 (4.77%) tested positive for blood lead levels above 5 µg/dL.

Actions planned to reduce the number of poverty-level families

According to the 2013-2017 American Community Survey, approximately 13.9% of Chambersburg's residents live in poverty. Female-headed households with children are particularly affected by poverty at 27.2%. Additionally, 29.0% of all youth under the age of 18 were living in poverty. The Borough's goal of reducing the extent of poverty is 5%, based on actions the Borough has control over, or actions in which the Borough will cooperate with outside agencies.

The Borough's anti-poverty strategy is based on attracting a range of businesses and supporting workforce development, including job-training services for low income residents. In addition, the Borough will continue to partner with local social service organizations that target low-income residents.

The Borough of Chambersburg will fund the following anti-poverty projects with FY 2019 CDBG funds.

- BOPIC, Inc. – Job Training for Youth

Actions planned to develop institutional structure

The Borough's Land Use and Community Development Department will coordinate activities among the public and private agencies, and other organizations in the Borough. This will ensure that the goals and objectives of the Five Year Consolidated Plan will be addressed by more than one agency. The key agencies that are involved in the implementation of the Plan, as well as additional resources that may be available, are described below.

Public Sector:

- Borough of Chambersburg - Mayor's Office, Borough Manager, Director of Finance, Borough Solicitor, Police Department, Fire Department, Sanitation Department, Emergency Services Department, Code Enforcement, Recreation Department, Parking Traffic and Street Lights Department, Electric Department, Gas Department, and Engineering Department
- Franklin County Housing Authority
- Franklin County Veterans Affairs Center
- Chambersburg Hospital
- Franklin County Area Agency on Aging
- USDA Rural Development
- Franklin County Area Development Corporation

Non-Profit Agencies:

There are several non-profit agencies that serve target income households in the Borough of Chambersburg. The Borough will collaborate with these essential service providers. Some of them include:

- Family Care Services
- Occupational Services Inc.
- House of Grace
- ARC of Franklin and Fulton Counties
- Chambersburg Chamber of Commerce
- Head Start
- Chambersburg Memorial YMCA
- United Way of Franklin County

Private Sector:

Lenders, affordable housing developers, business and economic development organizations, and private service providers offer a variety of assistance to residents such as health care, small business assistance, home loan programs, and assisted housing, among others. The Borough will collaborate with the following private sector organizations:

- Small Business Development Center
- Federal Home Loan Bank (FHLB)

- Local Financial Institutions
- Private Housing Developers
- Local Realtors

Actions planned to enhance coordination between public and private housing and social service agencies

The primary responsibility for the administration of the Annual Action Plan is assigned to the Land Use and Community Development Department at the Borough of Chambersburg. This department will coordinate activities among the public and private organizations, in their efforts to implement different elements and to realize the prioritized goals of the Annual Action Plan. The Borough is committed to continuing its participation and coordination with public, housing, and social service organizations. The Borough solicits funding requests for CDBG funds. These requests were reviewed and discussed by the Land Use and Community Development Department.

Monitoring:

The Borough of Chambersburg Community Development Specialist has the primary responsibility for monitoring the Borough's Annual Action Plan and will maintain records on the progress toward meeting the goals and the statutory and regulatory compliance of each activity. Service area documentation is maintained along with income surveys. Timeliness of expenditures is achieved through scheduling activities, drawdown of funds, and maintenance of budget spread sheets which indicate the dates of expenditures. Program modifications are considered if project activities are not able to be completed within the allowable time limits of the grant. The Community Development Specialist is also responsible for the on-going monitoring of any sub-recipients for similar compliance.

The Borough of Chambersburg's Community Development Specialist has a "monitoring checklist" that is utilized when programs and activities are reviewed. This checklist was developed in accordance with Sub-Part J of 24 CFR, Part 85 "Uniform Administrative Requirement for Grants and Cooperative Agreements of State and Local Governments" and the HUD Community Planning and Development Monitoring Handbook (HUD 6509.2)

CDBG funded activities are monitored periodically, during the construction phase, and a final inspection is performed which details the cost benefit and benefit to low- and moderate-income persons. During the on-site inspections, compliance with the local building and housing codes are reviewed. Copies of financial statements and audit reports are required and kept on file. For those activities which trigger Davis-Bacon Wage Rates, employee payrolls are required prior to payments and on-site employee interviews will be held. These monitoring standards are required for all Borough administered projects and sub-recipient activities.

For each activity authorized under the National Affordable Housing Act, the Borough of Chambersburg has established fiscal and management procedures that will ensure program compliance and fund

accountability. Additionally, the Department will ensure that the reports to the U.S. Department of Housing & Urban Development (HUD) are complete and accurate.

The monitoring process is not a “one-time” event. The process is an on-going system of planning, implementation, communication and following up.

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan -- It is following a current consolidated plan that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. Overall Benefit. However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

All interested residents are encouraged to attend this public hearing and they will be given the opportunity to present oral or written testimony concerning the needs of the Borough of Chambersburg and the use of CDBG funds to address those needs during FY 2019. In order to receive those funds, the Borough of Chambersburg must prepare a One Year Annual Action Plan for the use of the CDBG funds. At least 70% of the CDBG funds must benefit low- and moderate-income persons living in the Borough of Chambersburg. The Borough will be preparing its CDBG application and it intends to afford residents, local agencies, and interested parties the opportunity to become involved in the planning process.

Application packets for not-for-profit organizations seeking CDBG funds for FY 2019 are available at the Borough of Chambersburg, 100 South Second Street, Chambersburg, PA 17201. The deadline to submit a completed application packet to the Community Development Office is 4:00 PM on Friday, March 15, 2019.

The following types of activities may be eligible for funding under the CDBG program: Acquisition of property; disposition costs; improvements to public facilities, including the removal of architectural barriers; demolition and environmental clean-up; public services that are new or a quantifiable increase in the level of service; interim assistance; relocation payments for persons displaced as a result of a CDBG activity; rehabilitation of houses; code enforcement; special economic development activities; special activities undertaken by a community based development organization; home

ownership assistance for purchase; planning; environmental; program administration; audit; and other miscellaneous activities.

If the Borough would undertake an activity that would result in the displacement of families or individuals, then the Borough would utilize its policy for minimizing such displacement. Furthermore, the Borough is responsible for replacing all low- and moderate-income housing units that may be demolished or converted as a result of CDBG funds.

All interested residents are encouraged to attend this public hearing and they will be given the opportunity to present oral or written testimony concerning the needs of the Borough of Chambersburg and the use of CDBG funds to address those needs during FY 2019. Written comments may be addressed to Mr. Phil Wolgemuth, Assistant to the Borough Manger and Land Use and Development Director, Borough of Chambersburg, 100 South Second Street, Chambersburg, PA 17201 and 711 for the hearing impaired.

NOTICE OF A PUBLIC HEARING FOR THE FY 2020-2024 FIVE YEAR CONSOLIDATED PLAN, THE FY 2020 ANNUAL ACTION PLAN, AN ANALYSIS OF IMPEDIMENTS TO FAIR HOUSING CHOICE, AN AMENDMENT TO THE CITIZEN PARTICIPATION PLAN, AND A SUBSTANTIAL AMENDMENT TO THE FY 2019 ANNUAL ACTION PLAN

Notice is hereby given that the Borough of Chambersburg, PA will hold a public hearing on Wednesday, August 19, 2020 at 2:00 PM, prevailing time, in the Borough of Chambersburg's Council Chambers located on the first floor of the Municipal Building, 100 South Second Street, Chambersburg, PA 17201. The Council Chambers and the Municipal Building are both accessible to persons with physical disabilities. If special arrangements need to be made to accommodate residents in order for them to participate in the public hearing, including an interpreter for persons with limited English language, please contact at least 24 hours in advance of the meeting date and time, Mr. Phil Wolgemuth, Deputy Borough Manager, at 717-251-2436, or by email at pwolgemuth@chambersburgpa.gov.

The purpose of the public hearing is to present the FY 2020-2024 Five Year Consolidated Plan for the Borough's housing, economic and community development needs, and the FY 2020 Annual Action Plan for the use of FY 2020 Community Development Block Grant (CDBG) funds in the amount of \$332,730. In addition, the Borough will present an update to the Analysis of Impediments to Fair Housing Choice as the Borough's commitment to affirmatively further fair housing. The Borough intends to submit these documents to HUD on or before Monday, August 31, 2020.

Through the March 27, 2020 passage of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-136, the Borough of Chambersburg will receive an allocation of Community Development Block Grant - Covid Virus (CDBG-CV) funds in the amount of \$195,725. The Borough is amending its FY 2019 Annual Action Plan to include the FY 2020 CDBG-CV funds and also to include the FY 2016 reprogrammed CDBG funds in the amount of \$17,320 from United Way - Stepping Forward Works Program. In accordance with CDBG program regulations, the Borough is allowed to make substantial amendments to its Annual Action Plan and Budget in accordance with the Borough's Citizen Participation Plan.

The Borough has determined that it is necessary to amend the approved CDBG program budget for the previously approved program year for FY 2019. The funds will be reprogrammed from projects/activities that will be cancelled, and will be allocated to new projects/activities, and/or to increase line item budget amounts for other previously approved projects/activities. This is considered a substantial amendment in accordance with the Borough's Citizen Participation Plan as the following applies: the scope, purpose, and location of the project activity have changed.

In addition, the Borough is proposing to amend its Citizen Participation Plan to include language based on the HUD COVID-19 pandemic waiver. To expedite the disbursement of the Borough's FY 2020 CDBG and CDBG-CV funds, via 24 CFR 5.110, the CARES Act authorizes HUD to grant waivers to the public notice, public comment, and citizen participation plan requirements found in 24 CFR 91.105(i)(2) and (k), 24 CFR 91.115(i)(2) and (l) and 24 CFR 91.401. In accordance with the Borough's Citizen Participation Plan and HUD's regulatory requirement, waivers are granted which reduces the minimum 30-day public comment period to a minimum five (5) day period. These plans will be on public display for a period of at least five (5) days, beginning Wednesday, August 12, 2020 until 4:00 p.m. on Monday, August 24, 2020. These plans will be presented for approval at the August 24, 2020 Town Council Meeting. The public is advised that they will be able to review these plans on the Borough's Website at <http://www.chambersburg.pa.us>.

The Proposed Five Year Consolidated Plan, FY 2020 Annual Action Plan, Analysis of Impediments to Fair Housing Choice, Amended Citizen Participation Plan, and FY 2019 Annual Action Plan Substantial Amendment were prepared after conducting a public hearing on housing and community development needs, meetings with stakeholders, meetings with housing provider agencies, meetings with the Borough's staff and officials.

If the Borough would undertake an activity that would result in the displacement of families or individuals, then the Borough would utilize its policy for minimizing such displacement. Furthermore, the Borough is responsible for replacing all low- and moderate-income housing units that may be demolished or converted as a result of CDBG Funds.

All interested persons, groups, and organizations are encouraged to attend this public hearing and will be given the opportunity to present oral or written testimony concerning the proposed plans and use of Federal funds under the FY 2020-2024 Five Year Consolidated Plan, FY 2020 Annual Action Plan, Analysis of Impediments to Fair Housing Choice, Amended Citizen Participation Plan, and FY 2019 Annual Action Plan Substantial Amendment. Written comments or oral comments may be addressed to Mr. Phil Wolgemuth, Deputy Borough Manager, Borough of Chambersburg, 100 South Second Street, Chambersburg, PA 17201 or via email at pwolgemuth@chambersburgpa.gov.
